ARREST MADE IN MAY 2025 SHOOTING

On May 17, 2025, at approximately 3:00 AM, Miami Police received a ShotSpotter alert near NE 2nd Avenue and 67th Street. Upon arrival, officers found evidence of an incident that had occurred in the area. An investigation was promptly initiated, involving canvassing the neighborhood and interviewing multiple witnesses. No arrests were made at that time, and no injured individuals were reported.

Update

Following a thorough investigation into the fight and shooting from the initial report, Antonio Brown (AB) has been identified as the shooter.

The Miami Police Department's Crime Gun Intelligence Unit and the Felony Apprehension Team (FAT), collaborated closely with the Miami-Dade State Attorney's Office and U.S. Marshals to secure an Arrest Warrant (2nd Degree Attempted Murder) for Brown. He was located in Dubai and was apprehended.

Brown has since been extradited to Essex County, NJ, by U.S. Marshals where he is currently being held pending his extradition to the Miami-Dade County Jail.

This is just another example of the relentless work and dedication of Miami Police Detectives, working closely with Miami-Dade State Attorney's Office, and U.S. Marshals to identify and arrest those who commit crimes in the City of Miami.
