Subject: **BURGLARS CAUGHT ON VIDEO**

The City of Miami Police Department is investigating a burglary that occurred on May 11, 2015 at approximately 1:50 P.M. to a home located at 1900 SW 10th Street while the residents were not home.

Surveillance equipment from outside the home captured two men's criminal intentions and the act as well. At first, one suspect is viewed casing the exterior part of the home before he entered the home's side gate. Once inside the garden area, that suspect calmly walked towards the front part of the home, picked up a recently delivered package and handed it over the fence to his accomplice, the second suspect who was standing outside the home, awaiting for his partner-in-crime to hand over the stolen item. The first suspect completed his task by casually jumping the fence that surrounds the home and into a nearby getaway white SUV parked on the street.

2nd suspect: a possibly white Hispanic man, 30-40 years of age, black hair, 5'6"-5'8" tall, last seen wearing black short sleeve t-shirt, black pants.
