Subject: **ANNOUNCEMENT OF NEW EASTERN DISTRICT**

The City of Miami Police Department is proud to announce the official launch of its new Eastern District, a strategic expansion designed to enhance public safety and community engagement across three of Miami's most dynamic neighborhoods: Edgewater, Downtown, and Brickell.

To commemorate this milestone, a press conference will be held on October 1, 2025, at 2:00 PM at the Miami Dade College Wolfson Campus Courtyard, located at 300 NE 2nd Avenue. City officials and department leadership will be present to share insights into the district's mission, operational goals, and anticipated impact on the community.

The Eastern District will feature increased foot patrols tailored to the evolving urban landscape, including high-rise condominiums and mixed-use developments. This approach aims to foster stronger relationships between officers and residents, improve response times, and promote a visible, community-focused police presence.

This initiative is made possible through the strong collaboration and support of Mayor Francis Suarez, Commissioner Damian Pardo, Miami Dade College and the Downtown Development Authority (DDA), whose commitment to public safety, innovation, and community well-being has been instrumental in bringing the Eastern District to life.

*"This expansion reflects our commitment to proactive policing and meaningful community partnerships. The East District will allow us to better serve the unique needs of these growing neighborhoods while continuing to build trust and transparency."*
